Forestry Division

The Permasteel Group Story

Permasteel is dedicated to excellence in all aspects of building construction, offering turnkey solutions to our varied customer base. We are well-known for our innovative designs, long-term customer relationships, strong ethics, cost efficiency, and our expertise in low-rise construction.

Our goal is to address the individual requirements of each customer while establishing mutual trust and respect through consistent high performance and quality workmanship. Our design/build philosophy ensures you get the best value and the highest standard of building professionalism.

Originally incorporated in British Columbia in 1953, Permasteel is Western Canada's leading pre-engineered building company. The Permasteel Group includes the general contracting arms of:

Percon Projects Inc. (Vancouver)
Permasteel Projects Ltd. (Edmonton, Fort McMurray)
Seko Construction Ltd. (Edmonton, Fort McMurray)
Permasteel Building Contractors Ltd. (Grande Prairie)
Permasteel Building Systems Ltd. (Calgary)
XPS Construction Ltd. (Calgary)

With an experienced and knowledgeable team of employees at each location, we can offer expertise and assistance at every level of your project, from pre-design services, supply and erect, design/build and project management.

We construct projects for a wide range of building requirements which include:

- Forestry
- Mining
- Oil & Gas
- Recreational
- Manufacturing
- Commercial / Office
- Warehousing
- Retail
